

Governor's Office of Student Achievement

Agency Vision & Mission Statements

Vision - All Georgia students have access to an educational path that ensures the academic and technical skills necessary to successfully enter the workforce.

Mission - The Governor's Office of Student Achievement will ensure that Georgia's schools, programs and systems they employ have a positive impact on student achievement and long-term success through: Collaboration, Accountability, Transparency and Data Analysis.

GA-AWARDS

GA-AWARDS collaborates with state agencies to produce meaningful education and workforce data, in supporting research and informed decision-making.

Governor's Honors Program

The Georgia Governor's Honors Program is a challenging academic summer experience that offers a diverse group of gifted and talented high school students the opportunity to focus on a specific field of interest.

Governor's School Leadership Academy

The Governor's School Leadership Academy provides high-quality, statewide leadership preparation and support through five specific programs designed to develop high-capacity school leaders across Georgia.

GRASP

The Graduates Ready to Attain Success in Postsecondary program is increasing high school graduation rates and student outcomes in order to positively contribute to Georgia's workforce.

Innovation Fund Foundation

The Innovation Fund Foundation (IFF) is a nonprofit, hosted by the Governor's Office of Student Achievement. The IFF awards grants that are focused on innovation and transformation of the educational experience.

Growing Readers

Growing Readers is a targeted professional learning and support system for classroom teachers who are working to improve literacy rates within their kindergarten through third grade classrooms.
