

## Governor's Office of Student Achievement

### Agency Vision & Mission Statements

***Vision***-All Georgia students have access to an educational path that ensures the academic and technical skills necessary to successfully enter the workforce.

***Mission***-The Governor's Office of Student Achievement will ensure that Georgia's schools, programs and systems they employ have a positive impact on student achievement and longterm success through: Collaboration, Accountability, Transparency and Data Analysis.

#### GA-AWARDS

GA-AWARDS seeks to link and provide meaningful and actionable education and workforce data to participating agencies that support research and informed decision-making.

#### Governor's Honors Program

The Georgia Governor's Honors Program (GHP) provides a diverse group of gifted and talented high school students with a safe and challenging academic and social summer experience.

#### Governor's School Leadership Academy

The Governor's School Leadership Academy (GSLA) seeks to create and maintain a leadership and teacher pipeline for Georgia to ensure that every Georgia school is led by a transformational leader and teaching staff capable of maximizing student achievement.

#### Graduates Ready to Attain Success in Postsecondary

The Graduates Ready to Attain Success in Postsecondary (GRASP) Program seeks to increase high school graduation rates and student outcomes in order to positively contribute to Georgia's workforce.

#### Innovation Fund Foundation

The Innovation Fund Foundation (IFF) seeks to invest in innovative partnerships and initiatives to ignite student achievement across Georgia and aspires to be the state's model for creating lasting impacts on education through collaboration and innovation.

#### Growing Readers

The Growing Readers Program seeks to improve kindergarten through third grade literacy rates for Georgia students through a targeted professional learning and support system for classroom teachers.
