

# WE ARE LOOKING FOR LEADERS!

Governor's Office of  
Student Achievement

The Governor's School Leadership Academy provides a comprehensive and equitable system of support to build the capacity of Georgia educators and leaders.

The Governor's School Leadership Academy envisions a statewide network

- grounded in research-based practices,
- recognized as a model and employed at the regional, state, and national level,
- situated to inform state and local policy, and
- committed to positively impacting the teacher and leader workforce.

**District Support & Sustainability**

**Principal Support**

**Aspiring Principal**

**Teacher Leader**

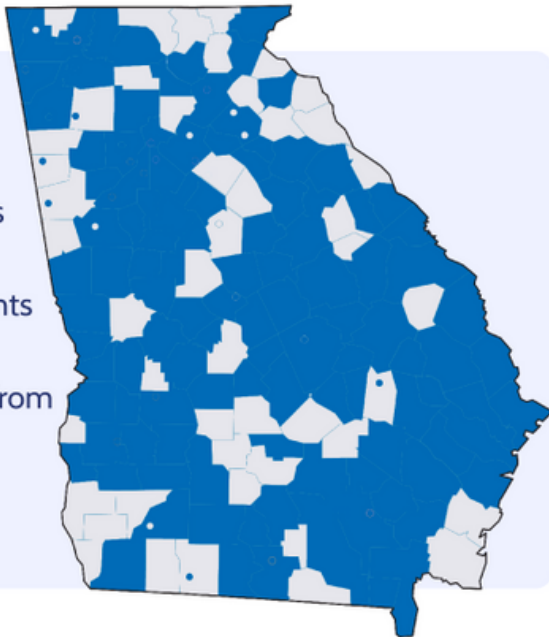

**Induction Support Leader**

**Induction Teacher**

## Why Choose GSLA?

GSLA targets five levels of educational practice to support and develop educators in all phases of their careers – from induction to school and district leadership.

GSLA has served participants from 136 districts from 2018 to present.
