

Alcova Elementary - IE² Performance Evaluation Plan
Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2 84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- a) The school did not miss more than one subgroup target in a given subject area, AND
- b) The same student subgroup did not miss a target in more than one subject area.

Brookwood Elementary - IE² Performance Evaluation Plan

Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2-84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- The school did not miss more than one subgroup target in a given subject area, AND
- The same student subgroup did not miss a target in more than one subject area.

Year One (2009-2010) Evaluation

Craig Elementary School met its targeted goals for Year One of the GCPS IE² Contract.

Dacula Elementary - IE² Performance Evaluation Plan

Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2-84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- a) The school did not miss more than one subgroup target in a given subject area, AND
- b) The same student subgroup did not miss a target in more than one subject area.

Year One (2009-2010) Evaluation

Harmony Elementary School met its targeted goals for Year One of the GCPS IE² Contract.

Harris Elementary - IE² Performance Evaluation Plan

Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2 84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- a) The school did not miss more than one subgroup target in a given subject area, AND
- b) The same student subgroup did not miss a target in more than one subject area.

Year One (2009-2010) Evaluation

Level Creek Elementary School met its targeted goals for Year One of the GCPS IE² Contract.

Lilburn Elementary - IE² Performance Evaluation Plan

Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2-84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- The school did not miss more than one subgroup target in a given subject area, AND
- The same student subgroup did not miss a target in more than one subject area.

Mulberry Elementary School met its targeted goals for Year One of the GCPS IE² Contract.

Nesbit Elementary - IE² Performance Evaluation Plan

Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2-84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- a) The school did not miss more than one subgroup target in a given subject area, AND
- b) The same student subgroup did not miss a target in more than one subject area.

Year One (2009-2010) Evaluation

Riverside Elementary School met its targeted goals for Year One of the GCPS IE² Contract.

Rock Springs Elementary - IE² Performance Evaluation Plan

Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2-84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- The school did not miss more than one subgroup target in a given subject area, AND
- The same student subgroup did not miss a target in more than one subject area.

Year One (2009-2010) Evaluation

Sycamore Elementary School has met its targeted goals for Year One of the GCPS IE² Contract.

Taylor Elementary - IE² Performance Evaluation Plan
Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2-84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- a) The school did not miss more than one subgroup target in a given subject area, AND
- b) The same student subgroup did not miss a target in more than one subject area.

Five Forks Middle School met its targeted goals for Year One of the GCPS IE² Contract.

Hull Middle - IE² Performance Evaluation Plan

Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2-84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- The school did not miss more than one subgroup target in a given subject area, AND
- The same student subgroup did not miss a target in more than one subject area.

By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- a) The school did not miss more than one subgroup target in a given subject area, AND
- b) The same student subgroup did not miss a target in more than one subject area.

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2-84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- a) The school did not miss more than one subgroup target in a given subject area, AND
- b) The same student subgroup did not miss a target in more than one subject area.

Georgia Department of Education (GaDOE) and the Office of Student Achievement (OSA)

Annual Evaluation of Progress towards Contracted Goals

In 2009, Gwinnett County Public Schools (GCPS) entered into the Investing in Educational Excellence Contract (IE²) with the State Board of Education as defined by Georgia Code §§ 20-2-80 -§§20-2-84 and the Georgia Department of Education Rule 160-5-1-.33. By law, the Office of Student Achievement (OSA) must annually monitor GCPS's progress towards meeting its contracted IE² performance goals. The guidelines below have been used to determine if a school met or did not meet its annual performance targets and whether each year counts as one of the school's "three consecutive years" of progress.

A school will be deemed as meeting its yearly performance targets if, within a 95% confidence interval:

- a) The school did not miss more than one subgroup target in a given subject area, AND
- b) The same student subgroup did not miss a target in more than one subject area.
