

**Governor's Honors Program**  
2020 Music: Piano Audition Preparation

All semifinalists in Music will participate in an individual interview **after** their auditions. Students should anticipate being on-site for at least 90 minutes. It is strongly recommended that students consult an instructor prior to making a final choice of repertoire.

***\*PLEASE NOTE: Use of accompaniment is not required and is not a part of the audition score; however, some students may choose to perform with accompaniment when appropriate. We cannot guarantee that pianos will be tuned appropriately, and we will not provide an MP3 player or CD player. Students choosing to perform to a prerecorded accompaniment should bring their own playback equipment.***

Music: Piano Semifinalists will perform:

- 2 compositions representing their technical and musical level.
  - Acceptable compositions are those that the student (in consultation with their teacher) feels best represents both their technical abilities and their musical expression.
  - Pieces from contrasting periods are recommended.

\*\*Students may NOT reuse compositions performed in the required assignment of the online application.
