

Governor's Honors Program 2019

The Governor's Honors Program (GHP) is a residential summer program for gifted and talented high school students. The program offers instruction that differs significantly from the typical high school classroom and provides students with academic, cultural, and social enrichment.

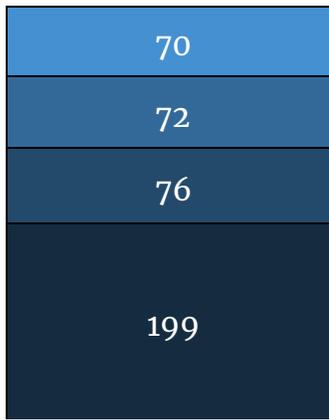

98%

of GHP students are satisfied with GHP.

"My GHP experience will impact me beyond this summer by providing me with motivation to push myself as hard as I can in the coming school year and beyond."
