2020 World Languages: Latin Interview Preparation

The state-level selection process will consist of:

- a written exam which will require students to translate Latin text.
 - Latin semifinalists will be assessed on their ability to read, write, and pronounce Latin, as well as their passion for and knowledge of ancient Roman culture.

Interviewers will ask a series of questions about the students' Latin experiences and passions. The process may last as long as 90-120 minutes.
