

Under the federal Elementary and Secondary Education Act (ESEA), and as mandated by state law in O.C.G.A. § 20-14-26, Georgia is required to develop a Single Statewide Accountability System (SSAS) for public schools and districts that includes information on school performance and characteristics.

The Annual Report Card contains test results as well as other information relevant to school performance toward the goals of student achievement and school completion.

Accountability

- Accreditation
- Assessment Participation
- CCRPI Indicators

- Content Mastery
- Graduation Targets
- English Language Proficiency

Georgia Assessments

- Current Assessments
- Retired Assessments

- Georgia Milestones
