

Approved SBOE Recommendations

- State monitors will be placed in schools on the severe list for the 2014 Administration.
- State monitors will conduct random checks in moderate and minimal concern schools for the 2014 Administration.
- Rotate teachers in minimal, moderate, and severe concern schools for the 2014 CRCT.
- Share data files with superintendents to facilitate:
 - ✦ Investigations undertaken independently by LEAs (with schools in minimal, moderate and/or severe concern),
 - ✦ Submit the results of the investigations to OSA, and
 - ✦ Identify students adversely affected who may need supports or interventions.
- Conduct on-site audits as necessary.

Approved SBOE Recommendations

Utilize state monitors for random checks in high schools during the 2014 EOCT Administrations.

Share data files with superintendents to facilitate:

- ✦ Investigations undertaken independently by LEAs of classrooms identified by OSA as requiring additional information,
- ✦ Submit the results of the investigations to OSA, and
- ✦ Identify students adversely affected who may need supports or interventions.

Conduct on-site audits as necessary.
