Final Agenda to Follow

The Innovation Fund Technical Assistance Day will provide prospective Innovation Fund applicants with information about the Innovation Fund grant opportunities, application, and priority areas. The day will feature breakout sessions led by Governor's Office of Student Achievement staff, current and former Innovation Fund grantees, and other priority area experts. Attendees also have the opportunity to attend the first-ever Shark Tank: The Innovation Fund Challenge, a shark-tank inspired competition, on June 2nd, 2016.
