4:30 – 5:30: SHARK TANK: THE INNOVATION FUND CHALLENGE

Do you want to get inside the mind of a reviewer? Are you interested in hearing examples of the types of innovative education programs districts and schools are proposing? If you answered “yes” to any of these questions, join us for the first-ever Shark Tank: The Innovation Fund Challenge. During the Shark Tank, selected current and former Innovation Fund grantees and eligible K-12 public school teachers will pitch ideas for a small-scale teacher and leader development program.
